Monaca, PA -- The Challenge Program, Inc. distributed financial awards to the underclassmen at **Beaver County Career & Technology Center** for excelling in the areas of Attendance, Academic Improvement, Academic Excellence, STEM (science, technology, engineering, math) and Community Service last year during the 2016/2017 school year. The Program partners with businesses to motivate high school students to excel and introduce them to career opportunities in their own communities. **Questeq** was the partner of The Challenge Program, Inc. at **Beaver County Career & Technology Center** last year.

###

The Challenge Program, Inc.'s mission is to build sustainable Business/Education partnerships while introducing students to careers in their communities. This partnership contributes to workforce and economic development by motivating students to develop the solid work habits required to succeed in school and in their future careers.
